

AKIMOV Pavel Alekseevich – Rector of the Federal State Budgetary Educational Institution of Higher Education “National Research Moscow State University of Civil Engineering”, Academician of the Russian Academy of Architecture and Construction Sciences (RAASN), Professor, Doctor of Technical Sciences, Laureate of the Russian Government Prize in Science and Technology for Young Scientists.

- Born on August 12, 1977 in Moscow.
- In 1994 he entered, and in 1999 graduated with honors from the Faculty of Industrial and Civil Engineering of Moscow State University of Civil Engineering.
- In 1999 he entered, and in 2002 graduated with honors from the Mechanics and Mathematics Faculty of Lomonosov Moscow State University.
- In 2000, he defended his PhD thesis in specialty “Structural Mechanics” on the topic “Analytical and Semi-Analytical Methods for Solving Multipoint Structural Calculation Problems”.
- In 2005, he defended his doctoral thesis in specialty 05.23.17 – “Structural Mechanics” on the topic “Discrete-Continuous Methods for Calculating Building Structures” .
- in 2016, Professor in the scientific specialty “Mathematical Modeling, Numerical Methods and Software Packages”.
- Author and co-author of 810 scientific and educational-methodical works, including 10 monographs, 2 textbooks and 8 teaching aids, editor-in-chief of the review-analytical and scientific-technical journal "Construction Mechanics of Engineering Structures and Facilities",

- Since 2005, he has been a member of the Scientific Council of the Russian Academy of Architecture and Construction Sciences "Software in Construction and Architecture",
- In 2017, he was elected an Academician of the Russian Academy of Architecture and Construction Sciences in the Construction Sciences Department.
- Since 2018, he has been a member of the Scientific Council of the Russian Academy of Architecture and Construction Sciences for technical regulation in construction. In April 2019, he was re-elected as the Chief Scientific Secretary of the Russian Academy of Architecture and Construction Sciences.
- Honorary Doctor of Tomsk State University of Architecture and Civil Engineering. Honorary Professor of the International Association of Civil Engineering Universities. Awarded the Honorary Medal of MGSU "For Merits in Construction Education and Science" of the 1st degree (gold), the Honorary Certificate of the Ministry of Regional Development of the Russian Federation, honorary certificates and diplomas of RAASN and MGSU.
