

MANUK GEVORG BARSEGHYAN

Doctor of Sciences (Physics)

Date of Birth August 10, 1980

manuk.barseghyan@nuaca.am

EDUCATION

- | | |
|----------------|--|
| 2019 | Degree of Doctor of Sciences (Physics) |
| 2006 | Degree of Doctor of Physics |
| 2002 – 2005 | PhD Student, Faculty of Physics, Yerevan State University |
| 1997 – 2002 | Qualified Specialist, Faculty of Physics and Mathematics, Gyumri State Pedagogical Institute named after M. Nalbandyan |
| 1995 – 1997 | “Balaton” College, Leninakan (now Gyumri) |

PROFESSIONAL ACTIVITY

- | | |
|--------------------------------|--|
| February 2025 – present | Rector, NUACA |
| March 2024 – February 2025 | Acting Rector, NUACA |
| September 2020 – March 2024 | Vice-Rector for Scientific Affairs, NUACA |
| January 2021 – present | Head of “Maintenance and Development of the Research Laboratory of Construction Problems Modelling”, NUACA |
| February 2020 – August 2020 | Head of the Scientific Policy Department, NUACA |
| 2017 – 2018 | Visiting Researcher, University of Manitoba (Canada) |
| 2014 – 2020 | Chief Specialist, Division of Educational Programmes Development, NUACA |
| 2011 -2012 | Visiting Researcher, University of Antioquia, Medellin (Colombia) |

| | |
|-----------------------|---|
| 2007 – present | Researcher, Research Laboratory of Solid State Physics, YSU |
| 2006 – 2013 | Lecturer, Chair of Physics and Electrical Engineering, YSUAC |
| 2005 – 2007 | Lecturer, Chair of Physics, Gyumri State Pedagogical Institute named after M. Nalbandyan |

OTHER INFORMATION

Publications: 81 scientific articles, 62 of which in international periodicals with high impact factor, 12 in proceedings of international scientific conferences and 7 in local periodicals

Scientific Activity: Physics of Nanostructures and Material Science

Awards: RA PRESIDENTIAL AWARD: Breakthrough discovery or significant contribution to the area of Physics (2013)
