

Aram Soroushian

Structural Engineering Research Center, International Institute of Earthquake Engineering and Seismology (IIEES) Faculty Member Iran

- B.Sc. graduation date and University: December 1990, University of Tehran
- M.Sc. graduation date and University: December 1995, Shiraz University
- Ph.D. graduation date and University: December 2003, University of Tehran
- Ph.D. Thesis Title: New Methods to Maintain Responses' Convergence and Control Responses' Errors in the Analysis of Nonlinear Dynamic Models of Structural Systems, Research Faculty Member.
- About two years, starting from 1989, in the Monit Consulting Engineers, in Tehran and Shiraz.
- About one year, on 1991, in the "Farayand Sanatti Iran" Consulting Engineers (now bankrupted), in Tehran.
- International Institute of Earthquake Engineering and Seismology (IIEES), since 2004.
- Honours and Awards
 - The first rank among Structural Engineering Msc. students starting Shiraz University together
 - The first rank among the Civil Engineering Ph.D. students starting the University of Tehran together
 - The first Ph.D. Graduate majoring Earthquake Engineering from the University of Tehran
 - One of the 42 awards for "The Recognized Post Graduate Thesis Subjects in the University of Tehran (2000)"
 - One of the 3 awards for "The Recognized Ph.D. Thesis in the University of Tehran (2004)"
 - One of the 2 awards for "The Recognized Researchers in the Department of Civil Engineering, Faculty of Engineering, University of Tehran (2004)"
- Cooperation with academic organizations other than IIEES
 - Indian School of Mines, Dhanbad, India (since 2013)
 - Pooyandegan Danesh University, Chaloos, Iran (since 2014)
 - Shomal University, Mazandaran, Iran (since 2009)
 - South Tehran Branch, Islamic Azad University, Tehran, Iran (since 2010)
 - Science and Research Branch, Islamic Azad University, Tehran, Iran (since 2005)
 - Science and Research Branch, Islamic Azad University, Urmieh, Iran (since 2010)
 - University of Tehran, Tehran, Iran (since 2010)
 - West Tehran Branch, Islamic Azad University, Tehran, Iran (since 2014)
- Memberships in Date Ascending Order
 - IMS; Society of Mathematicians of Iran, since ~1984 till ~2000,

- HGGM; Society of Armenian Engineers and Architects in Iran, since 1996,
- ISCE; Society of Civil Engineers of Iran, since ~1998,
- IACM; International Association for Computational Mechanics, since June, 2002 for two or three years,
- IIAV; International Institute of Acoustics and Vibration, since July 2003,
- IABSE; International Association for Bridge and Structural Engineering, since 1997 till 2004,
- EAEE; European Association of Earthquake Engineering, since January 2005,
- IEEA; Iranian Earthquake Engineering Association, since January 2006,
